

Coonara fire pit

Outdoor Fire

an Aussie
made fire

easy
outdoor gas log fire

Entertaining has now become easier with the release of the Coonara Outdoor Fire Pit. With its stylish looks and realistic flame pattern, the Coonara Fire Pit will keep you warm, cosy and relaxed as you enjoy its ambience. With the push of a button, you'll love watching the flames burning over the pit to provide you with a real open fire effect. The Coonara Fire Pit is available in 3 stylish colours, and includes a matching lid, so that your outdoor unit can be conveniently transformed into a table when the fire is not in use. The Coonara pedigree of innovation has created something special so that you can now entertain outdoors with friends and family long into the evening.

Important information for storage and use

The Coonara Fire Pit must be stored undercover and used in an open ventilated area. Do not store in damp or wet areas.

Fuel Requirements

Designed for use with Natural and LPG gas.

Fire Pit Material

All steel used in the fire pit is galvanised with a powder coated finish.

All panels of the stainless steel unit are galvanised and clad with 304 No: 4 S/steel. Reflectors are bright annealed 340 grade.

Marine grade of stainless steel unit 316 is an optional extra and recommended in salt areas.

Tested and approved to

Tested and certified to the most stringent standards for safety. AGA approved.

Certificate No: GSCS20075.

Coonara Warranty

The Coonara Fire Pit has a 1 year warranty on all components. Warranty excludes breakage of glass, logs, ember bed and water damage.

All of the information contained in this brochure was correct at the time of printing, October 2009. However, the manufacturer reserves the right to make changes to design and specification without notice. You can confirm current designs, specifications, optional extras and financial details by consulting your nearest authorised Coonara dealer.

* Please note: Due to the nature of the printing process, colours may vary from those shown in this catalogue.

Ask your dealer to show you a colour sample. Flames shown using natural gas. Flame colour may vary from those shown in this brochure due to the nature of the printing process, and variances in the gas source.
